The screenshot shows a web browser window with the address bar displaying <https://sites.google.com/wcpss.net/thagenban501project>. The page has a dark blue header with a repeating chevron pattern. The title 'Blue Bee Beverages Report' is centered in large white text. To the left of the title is the text 'Tabitha Hagen UNCW BAN 501'. To the right is a navigation menu with links: 'Project Homepage', 'Scope of Project', 'Site Selection Plan', and 'Production Plan'. Above the navigation menu, there is a small text box that says 'Images borrowed from Blue Bee Co. which can be found at www.facebook.com/BlueBeeCO' and a 'View now' button. Below the header, there are two images: the top one is a logo for 'BLUE BEE' featuring a bee and the text 'EST. 2012' and 'EAT. DRINK. SMILE'; the bottom one is a close-up of a red beverage dispenser with a lemon slice. To the right of the images, there is a section titled 'First, a bit of background...' followed by two paragraphs of text. The first paragraph mentions Mr. Analytyks, VP of Operations and Supply Chain at Blue Bee Beverages (BBB), and the second paragraph mentions ABC Consulting and their work on identifying potential locations and creating a staffing solution.

## First, a bit of background...

Mr. Analytyks the VP of Operations and Supply Chain at Blue Bee Beverages (BBB) is planning the operations for the next year. BBB has three plants and already has 60 employees working at the each of the original plants. The company plans on expanding its production capacity by adding at most three more plants.

ABC Consulting has identified five potential locations from which BBB can select up to three additional sites. Additionally, a staffing solution has been created to manage Human Resource costs and Inventory Control costs with an expected 12 month Distribution Center demand estimate, given by the owner.
